RESUME WORK ON THE ROSE GROUP

BIG COPPER PROPOSITION NEAR MINA IS AGAIN BEING WORKED.

D. H. Walker came in yesterday from Mina, where he has resumed operations on a large copper property known as the Rose group, near Mina. A large force of men has been put to work developing the mine. Considerable work has already been done on the claims, three shafts being sunk to a depth of 100 feet. Recent developments show a vein of copper, silver and lead that runs very high. They already have several carloads of high grade on the dump.

It is presumed that the Judge will warn his Democratic friends to remain at home and not go to Denver on a useless errand.

DOUBLE HEADER ON NEXT SUNDAY

PROBABILITIES OF AN IMMENSE CROWD AT THE BASEBALL GAMES.

The Knights of Columbus are making great preparations for the entertainment of the Goldfield Knights on next Sunday. J. E. McNamara, who has been in Goldfield for the past two days, returned yesterday and reports a large crowd coming. The Knights of the Southern town are practicing on the diamond daily and have all the young ladies of the parish out in force, tooting horns and making all kinds of fiendish noises in order to prevent stage fright. The local Knights have been paying frequent visits to the Montana mill, in order to get used to the noise that will greet them when the Goldfielders take the field.

This game, which commences at 1 o'clock sharp, will be followed at 3 o'clock by a game between the Montana and the Mizpahs, which is one of the series of games that will be decided on the Fourth. Fifty cents entitles a person to admission to both games. The Tonopah Brass Band will furnish sweet music on the occasion.

At the banquet in the evening it is assumed that the deeds performed on the diamond will be recounted and enlarged upon. In the meantime Father Butler still has the stake money, and it will undoubtedly need an armed guard to pack the gate receipts to the vaults in one of our banks.

DRAWING CARD FOR THE FOURTH

WEEKS AND DAUGHERTY SIGN UP FOR A SIX-ROUND PRELIMINARY.

The management of the smoker for the night of the Fourth of July have an additional attraction for its patrons, and they are to be congratulated upon securing this number. They have succeeded in signing up Weeks and Daugherty for a six-round preliminary. Both fighters have a national reputation. Weeks has had innumerable fights, in every one of which he was successful, save one, that with Abe Attell. Daugherty, who hails from Philadelphia, is a wonder. He has had 40 battles and never been defeated. Otto Floto, the Denver sporting editor, in a letter to the management, says that he is a good, clean fighter and will give the best of them a run for their money.

Jack (Twin) Sullivan and Terry Mystain are hard at work every afternoon in their training quarters at the Casino, and both of them have a large audience of admirers to watch them work out.

Charles Miller, who has been in Goldfield for several days in connection with the coming fight, says that the chances are that a great crowd will come from that place, and a special train has been arranged for.

W. K. WISE GIVEN LIFE MEMBERSHIP

The local lodge of the Elks presented Captain W. K. Wise last night with a life membership in the organization as a token of appreciation for services rendered. L. A. Gibbons was also given a handsomely engraved membership card, he being the first Exalted Ruler and at present Past Exalted Ruler of the Elks. Mr. Gibbons is also delegate to the Grand Lodge, which meets at Dallas, Tex., on the 12th of July.

Captain Wise, after the meeting, invited the members to an informal spread at his home, and the chances are about even that by this time the banquet is still in progress.

ATTENTION, K. OF P.

All members of the Knights of Pythias contemplating joining the Uniform Rank are requested to meet at the Court House Friday evening at 7 o'clock.

HOODOO MUST BE PURSUING HIM

HAS THREE FIRES AND SIX RUNS. ALWAYS IN PERIOD COVERING A YEAR.

If the hoodoo is not on the owner of the French laundry, La Petite Whiskers, we miss our guess.

Three fires and six runaways, horse gone lame and wheels refuse to turn around, due to lack of axle grease, all within a year.

While the dapper little shouter of the "Marcellaise" was in the Wells Fargo Express office, yesterday afternoon, negotiating for a bundle from La Belle France, the fiery steed attached to his laundry wagon became imbued with a desire to hit the high places himself, and forthwith proceeded to give an exhibition of the charge of the "Light Brigade," at least some of the laundry floating in the breeze was of a light character. Reaching the Butler Theater corner he made an evolution that denoted that he had formerly been in the cavalry brigade. Discerning the tricolor on a lady's Merry Widow hat coming down the street, he refused longer to have the plebeian vehicle attached to him, and with a lively kick became free, and then, executing an about face, he stood at attention.

Damage: One Frenchman's feelings, three delicately nurtured trees in front of the American saloon, some dainty lingerie which can probably be repaired, and Charley Blumenthal's white duck suit, just imported. Parbleu! Diabolo! Vive la Laundry! Death to white shirts!

MASONIC SERVICES HELD LAST NIGHT

ST. MARK'S CROWDED TO HEAR ADDRESS BY REV. LLOYD THOMAS.

St. Mark's Episcopal Church was filled to the doors last night, the occasion being St. John's Day, and the service devoted to the Masonic order. The altar was a mass of ferns and flowers and the interior of the church presented an exquisite appearance. A largely augmented choir was in attendance. The instrumental music, consisting of the organ, presided over by Miss Anita Scheid, and J. Manning on the cornet, was well executed.

The address that was delivered by the Rev. Lloyd B. Thomas, who is a member of the Masonic order, was a masterpiece. The young rector is a polished orator, and he handled the subject in a forceful and logical manner. His remarks were on "The Key-words of Masonry—Light and Work." It was an exposition of what the order teaches. His peroration concluded with Kipling's great poem, "L'Envoi."

About eighty members of the local lodge were in attendance. The offering, which represented a goodly sum, is to be divided between the Masonic charity fund and the church.

PYTHIAN SISTERS PRESENT COMEDY

The Pythian Sisters, Parity Temple No. 14, were out in force last evening upon the occasion of a "Sisters' Convention," given by them at the Hippodrome Theater. An excellent program, full of most laughable specialties, was presented, and the entertainment was well received by a large and appreciative audience. The presentation brought out a surprising amount of excellent talent.

Among those who participated and contributed to the success of the affair were Carolyn Thompson, Mary McPike, Olga Voss, Ida Plummer, Kate McBrean, Vessie Robertson, Ottilia Froberg, Christina Enkhause, Sarah McGee, Maud Brownfield, Marie Williamson, Anna West, Ella Armstrong, Lena Riley, Sophia Keynn, Lola Armstrong, Flora Skinner, Minnie Barry, Josephine J. Green, Miss Lella Rose, Miss Julia Cline, Miss Bertha McKeen, Miss Mabel Culbert, Miss Agnes Culbert, Miss Mary Lee Giggis, Miss Helen Swain, Baby Hackley, Messrs. PLEASED WITH THEIR PURCHASE

MESSRS. BERRY, ROCHE AND FESSENDEN INSPECT MILL AT MANHATTAN.

Messrs. Berry, Roche and Fessenden returned yesterday from a visit to Manhattan, whither they had gone to look into the condition of the Lemon mill, in which they have recently acquired an interest. A force of men has been put to work clearing up the mill, and it is expected that within fifteen days the stamps will be dropping on their initial run. The gentlemen report a rich strike of silver on the Thelma, which caused considerable excitement in the camp, within the last few days. They, one and all, express great confidence in the future outlook for Manhattan. Leasers are steadily prosecuting work, and several nice contracts for handling ore have been made by the new company. Mr. Fessenden will leave for Manhattan Friday, taking his family with him, and they will reside in the northern camp in the future.

MINERS FIGHT DUEL ON STREET

GOLDFIELD, June 24.—M. Taylor and C. W. Priest, miners, engaged in a duel this afternoon in Grand avenue, one-half a block east of Oak street, and both men are in a critical condition.

The duelists emptied their guns into each other, Taylor being shot in several places in the abdomen. The shooting occurred immediately following a remark by Priest reflecting upon Taylor's wife. It is not known just what started the quarrel, but it is said that the men have been enemies because of Priest's persistent attentions to the woman.
